What is shackspace?

Yet another hackerspace.

What is shackspace?

Yet another hackerspace.

(except that it's in snobby Stuttgart!)

What is shackspace?

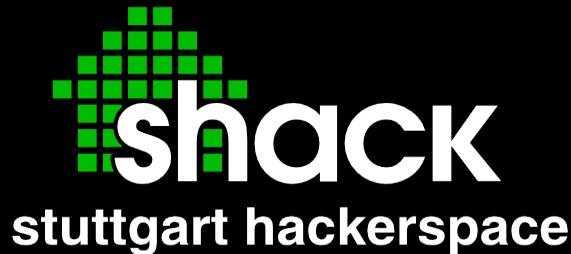

What's special about shackspace?

Founded mid February 2010.

23 [sic] founding members.

Status quo: ~85 members.

We've seen **rapid** growth!

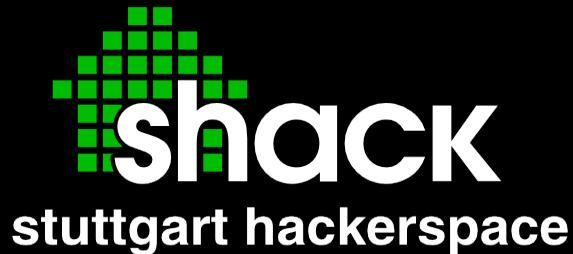

How did that happen?

At least 80 tech-centric groups in Stuttgart.
Very few of them have their own space.

A bar is no place for { hw, sw } hacking, talks, etc!

So.... what's happening?

Education for all age groups.

Talks and presentations.

Space for your projects.

Microcontroller Forum Stuttgart.

Space for events.

ONOEZ!

**Everything you've just seen is
going to end March 2011.**

ONOEZ!

Our lease got terminated because of the controversial Stuttgart 21 trainstation project.

We have to find a new, bigger space.
